

EACH Fixing clips for HTPE PLUS duct

Description

EACH pipe fixing clips with safety spring, designed for fastening Ø 63/75 and Ø 76/90 HTPE-PLUS corrugated ducts in VMC systems. They ensure stable and secure pipe locking, facilitating installation and providing long-term reliability.

Models

The clips are available in two colors to identify the supply and extract lines of the system.

- EACH63-R – Red clips for Ø63/75 duct.
- EACH63-B – Blue clips for Ø63/75 duct.
- EACH75-R – Red clips for Ø75/90 duct.
- EACH75-B – Blue clips for Ø75/90 duct.
