

CLIMAZONE Distributions kit for 2 - 3 - 4 - 5 or 6 zone

Description

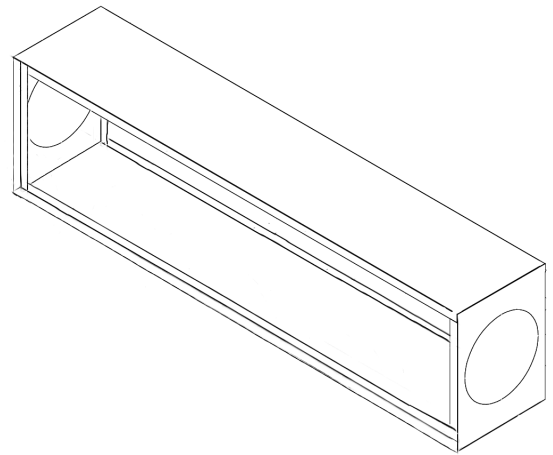

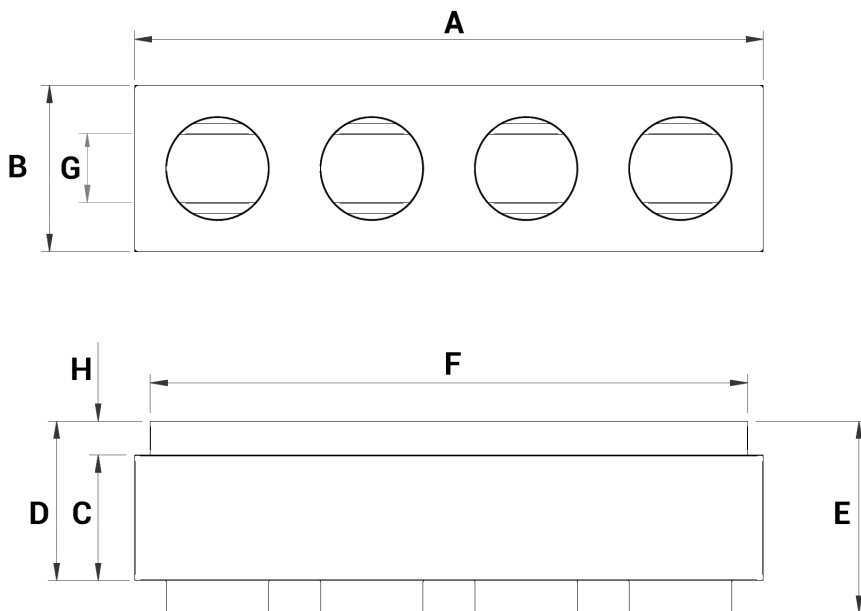

Kit including all air distribution components required for the airflow distribution of most ducted air conditioning units.

Six different kit versions are available, differing in the type and size of the innovative CLIMABOX universal plenum with extendable flange, as well as in the number of supply air grilles, the flexible duct length, and the size of the return air grille with filter.

CLIMAZONE Contents

CLIMAZONE consists of the CLIMABOX plenum, EBA-VO supply air grilles in white RAL 9016, SC balancing dampers, EPI insulated plenums, ETF10-THERM flexible duct, EFM 60/170 metal duct clamps, and EGA 3 hinged filter return air grille.
