

EVVKO K Helicoidal aspirators for plastic tube

Description

Helicoidal aspirators for tube.

Characteristics

The casing and impeller are made of high-quality, durable ABS plastic with UV protection.

The smart impeller design ensures high fan efficiency and long service life.

Protection rating: IPX4.

Use

Continuous or periodic ventilation of bathrooms, showers, kitchens, and other utility spaces.
Exhaust or supply ventilation depending on the fan mounting in the system.

Designed for PVC duct systems or flexible ducts, compatible with Ø 100, 125, and 150 mm air ducts.

Dimensions

All measures are in mm.

Models		Ø D	Ø D1	B	B1	H	L	L1	L2	L3	Peso
